

Job Description:

O'Shaughnessy Estate Winery has been producing some outstanding wines and we have been very fortunate to begin a new project. We are currently under construction for our new Progeny Winery. A brand new state of the art production facility located in Napa on Mount Veeder, in which we will crush there for the 2016 harvest. We are searching for potential interns that will be up for the task to join our team in making stellar mountain wines. This internship is temporary for the 2016 harvest. Although this internship will be focused more at our Napa facility, we will still be very involved with the O'Shaughnessy production.

This is an outstanding opportunity and experience as we will be working with all Bordeaux, Burgundy, red Rhone, and white Rhone varietals.

Job Duties/Requirements:

All general cellar work

Be able to lift and carry 50 lbs on a repetitive basis

Working extended hours/overtime and occasional weekends during harvest

Experience a plus but not required

Must be able to communicate effectively with co-workers and supervisors

Valid Driver's License

Must be reliable, be a team player and have great work ethic

Having a passion and great enthusiasm for all things wine

Email resume to: orlando@oshaughnessywinery.com
