Harvest Assistant 2017

We are a small PN, CH and SY winery located in Healdsburg, sourcing a majority of our grapes from Anderson Valley. Our goal is to produce wines that are Burgundian in style- highly characteristic of the their site, with minimal human intervention.

We are searching for an individual who enjoys learning, isn't afraid to work hard, and who is a team player. Passion for French Burgundy wines is a plus! You'll be involved in everything from pumpovers to barrel downs, analysis to forklifting bins off of trucks.

Position will start around August 7<sup>th</sup>, 2017 and go until October 31<sup>st</sup>, with exact timeframe subject to change.

Salary: TBD, based on experience
