

## 2017 Harvest position

Eisele Vineyard, formerly Araujo Estate, has an internship/seasonal job opening for the upcoming harvest. The position is expected to begin in mid August and run through November.

The successful candidate will assist the winemaking team in a range of duties and have the following general responsibilities:

- o Grape sampling
- o General Sanitation and clean-up
- o Temperature and brix measures
- o Set-up and cleaning of crush equipment
- o Punch downs, pump overs, rack and return
- o Juice/wine transfer
- o Barrel Preparation and filling

Applicants are expected to have previous cellar or winery experience, and be willing to work enthusiastically for long hours. Weekend work is standard and you must be comfortable with physical labor and lifting objects up to 50lbs. The ability to understand Spanish is a plus.

International applicants are responsible for providing their own work visas through CAEP. All candidates are responsible for their own travel arrangements, daily transportation, and housing.

1 meal a day is provided during the month of September. Hourly rate is \$18/hr.

No phone calls or drop-in visits, please.

Interested applicants can send resume and cover letter to:
