

## Marietta Cellars Internship

### Brand snapshot:

To call Marietta Cellars "Old School" is an understatement. Marietta Cellars has been a family owned winery for 30+ years and has been making a specific style of wine since the first bottles rolled off the line. We are located in Geyserville, CA with vineyards in the Yorkville Highlands, McDowell Valley, Mendocino Valley, and Alexander Valley. Our focus is on Bordeaux and Rhone reds with a small amount of Viognier, Riesling, and direct to press Rosé. Our vineyards range from newly planted to some of the oldest in California. Steep mountain slopes to valley floor. River rock to heavy clay soils. We have a little bit of everything with complete control over every aspect of our wine making.

### Job Description:

We are looking for two Harvest Interns that will be doing everything from vineyard sampling to pump overs. The position will start in August and run through October of 2017. The ideal candidates will have the following:

### Requirements:

- Worked 1 or more Harvests
- Valid US Drivers license
- Able to lift 50 lbs and fit into a standard wine tank man door.
- Work standing for 10+ hours in a 24 hour period.
- Have their own ride to and from winery.
- Speak and understand English is a plus but not mandatory.
- Read and write
- Respect for co-workers and supervisors

### Duties:

- Pump Overs
- Vineyard sampling
- Sanitation
- Tank dig outs
- Barrel work
- All matters of Harvest.

### Schedule:

- Flexible schedule, ability to work long hours, various shifts and weekends
- During harvest, we operate two shifts which include early mornings and late evenings, partial shifts, and weekends. You will always get a least 1 day off per work week.

All applicants are welcome and encouraged!
