

SHANNON RANCH

Job title	<i>Vineyard Manager</i>
Salary Range	DOE

Job purpose

The Vineyard Manager works closely with the Director of Vineyard Operations to manage the day-to-day operations in multiple operational vineyards located throughout Lake County. This includes budgeting responsibility and determining the most effective and efficient use of personnel and equipment in order to meet quality standards. Will provide constant and efficient communication with the Director of Vineyard operations to provide updates. He/she will lead by example and will work hard to ensure that all vineyard operations run smoothly and efficiently, understanding the importance of safety, leadership, teamwork and respect.

Duties and responsibilities

- Assists with designs and oversees field implementation of viticultural and development plans.
- Assists with implementation of procedures and technologies focused on optimizing efficiency, controlling costs and maximizing quality production.
- Assists in the preparation and monitoring of vineyard operating budgets.
- Manages trainings for the company's AgCode vineyard management software system.
- Directs and schedules overall daily activities of personnel and equipment including:
 - Irrigation
 - Fertilization
 - Tractor activities
 - Spraying
 - Harvesting
- Visits vineyards daily to oversee progress, quality and cost of work being performed by vineyard personnel.
- Irrigation records.
- Vineyard data collection and input, i.e. cluster counts, bud counts, shoot counts, sugar samples.
- Maintaining historic data base and crop estimates for all individual vineyards and blocks.
- Assisting with harvest and post-harvest reports.
- Enforces the company's Injury & Illness Prevention Program.
- Interfaces with Human Resources to assist with hiring, counseling, safety issues and trainings.
- Monitors safety practices and regulatory compliance.
- Works with Director of Vineyard Operations and staff to research equipment and technologies to improve or enhance farming operations.
- Represents company in winery, industry, civic and governmental organizations, functions and groups.
- Attends seminars, classes and other activities as necessary for professional development.

Qualifications

Education/Experience

- High School Diploma
- CA Driver's License with clean DMV record
- Viticultural background
- QAL license preferred

Knowledge, skills, and abilities

- Fluent in English
- Bilingual in Spanish, preferred
- AgCode software experience a plus
- Proficiency in the use of computer programs for:
 - Word Processing
 - Databases
