

Siduri Cellar Warriors 2018

About Us: We started warehouse winemaking before it was cool! Siduri is a small, mostly-Pinot Noir brand located in Santa Rosa, CA. Our single vineyard fruit comes from as far south as Santa Rita Hills, all the way up north to Anderson Valley. We're passionate about making well-balanced, critically acclaimed wines that are expressive of their site, but also enjoy frequenting our next-door neighbors at Cooperage Brewing Co.

About You: You're an enthusiastic individual who has preferably worked a [grape] harvest, and who doesn't mind getting your hands dirty. You enjoy short excursions on the forklift to the pomace bin, and riveting conversations on the sorting line. You get excited at the smell of vigorous ferments, and are a first team All-American tank cleaner.

We request your presence between August 13th, 2018 until we tell you to leave (but will probably be until the end of November). Your pay will be based on your prior experience, and how fast you can dig out a tank to the press...just kidding 😊

Please submit your CV/Resumé to:

Luke Henderson, Cellarmaster
