

Dear Members and Associates of the San Joaquin Valley Winemakers,

The San Joaquin Valley Winemakers (SJVW) will be hosting their 31st Annual Fund Raising Golf Tournament on April 29th, 2016 at the RIVERSIDE GOLF COURSE. The event is to raise funds for the AG ONE ENDOWMENT FUND and ENOLOGY RESEARCH FUND for student research time in the Viticulture and Enology Program at California State University Fresno.

SJVW would like to extend an invitation to you, your employees, and your close golfing associates. Enclosed is an entry form and information about the tournament.

SJVW would like to sincerely thank all members and contributors for your ongoing support of our organization. In 1991, we established a scholarship fund for the Enology Research Center at California State University Fresno and successfully negotiated a series of scholarship fund contracts in subsequent years. Since that time, we have grown the AG ONE fund to over half our \$100,000 goal. As we enter into our 31st tournament, we solicit your continuing and generous support. After nearly being forced to disband due to our inability to add to our AG ONE fund, we reengaged the golf tournament and brought our organization back to life. We continue to support both the Enology Department and the Viticulture and Enology Research Center by funding Student Research Assistantships. Our relationship with the University staff and students has become stronger than ever. We are asking suppliers and members for their support as co-sponsors. Your support means a great deal to us. We, in the Wine Industry, can truly appreciate how difficult it has become to support these events and we pledge to do our part to help promote those of you who sponsor us.

SJVW hope that members and associates will be as generous this year as in the past with cash donations. All cash or prize donations should be sent to:
