EARLY CHILDHOOD EDUCATION SPECIALIST CREDENTIAL PROGRAM

Dear Graduate:

We are interested in knowing about your experiences following the completion of your graduate work and earning the Early Childhood Specialist Credential. Would you take a few minutes to help us think through the strengths and changes which are ongoing in any program? We appreciate your contributions and value your feedback.

Code: 5 - Strongly Agree; 4-Agree; 3-Disagree; 2-Strongly Disagree; 1-No Opinion

Did the program:	1	2	3	4	5
1. Increase your knowledge of the physical, social, emotional, cognitive development of young children?					
2. Increase your knowledge of language development and implications for programs with young children?					
3. Increase your knowledge of the theoretical basis and research base for Early Childhood Education programs?					
4. Increase your knowledge and use of assessment instruments in work with young children?					
5. Help your ability to plan programs appropriate to young children's socio-cultural backgrounds?					
6. Help you to understand the principles and resources for content selection in ECE programs?					
7. Design learning activities appropriate for individual needs in work with young children?					
8. Evaluate curriculum materials and resources?					
9. Plan and develop successful parent participation and involvement programs?					
10. Help you to utilize community resources?					
11. Help you to become involved with professional activities and organizations?					
12. Prepare you to take a leadership role in supervising, coordinating, implementing a comprehensive program for young children?					

Thank you and please return this form to the ECE Program Coordinator.
