

EHD 178ECE: Field Study B

Scoring Field Study Assignments

All assignments for EHD 178ECE are scored credit or no credit. Credit is given for assignments that are successfully completed as specified by the EHD 178ECE Competencies. Work must be submitted according to the dates listed in the course schedule in the EHD 178ECE Syllabus.

Because all EHD178ECE lesson plans, reflections and activities are also used to meet requirements for LEE 177 and LEE 148, please see these courses for how these assignments are graded.

In EHD 178ECE, Students are also systematically observed by the instructor in teaching their lessons to students and given regular written feedback on how well their lessons met the standards, competencies and TPEs.
