**Important Notes:**

- *Bilingual Authorization students must reach the Intermediate High ACFLT level on the Fresno State Spanish / Hmong Language Proficiency exam.*
- *Bilingual Authorization candidates will be assigned to complete the final student teaching requirement in a bilingual setting (EHD 170).*
- *The Bilingual Authorization in Mexico is also available through the CSU International Teacher Education Council (ITEC).*
- *If you have not completed all requirements with your credential program, you need to complete all five Bilingual Authorization courses, apply and pay to add the Bilingual authorization on your credential within one year of receiving your initial credential. After the one year, the only option to add Bilingual Authorization is to take the CSET: LOTE subtests and apply for a Bilingual Authorization Certificate.*
