

# Spring 2011 Teacher Recruitment Fair

## List of District Personnel

Thank you notes are an important and courteous way to follow up an interview session. This is a list of the administrators who represented the various school districts that attended the fair. It is intended to facilitate your efforts to send a personal note of appreciation to the individuals with whom you spoke. Some districts sent only the name of their main contact person and not of all the individuals that attended. Please remember that this is not a complete list. Do not depend on it completely.
