New to the site?

CSUMentor is an online resource designed to help students and their families learn about the CSU system, select a CSU campus to attend, plan to finance higher education, and apply for admission. Personal data entered by the user is not released without the user's express consent and direction.

You need to create your own account to use all of the features on this web site. In order to create your own unique account, you will need to supply information such as your name, date of birth, e-mail address, etc. Your personal e-mail address is as important to us as your street mailing address or your phone number since the CSU campuses will use your e-mail address to communicate with you. If you have not already established your own unique personal e-mail address, you can create one using a free service such as Gmail, Hotmail, Yahoo! Mail, etc.

While CSUMentor is free to use, an account is required to access certain areas of the site. Here are some of the exciting features you can access by taking a few minutes to setup a free CSUMentor account:

- Apply to any of the California State Universities using any of the four applications: undergraduate, graduate, international, or Educational Opportunity Program (EOP)
- NEW! In addition to SAT score reporting, you can now send your ACT scores to CSU campuses using the ACT Scores Manager, once you log into your account
- Use one of the two planners, high school or transfer, designed to help you track and plan your coursework to meet California State University (CSU) high school subject requirements
- Transfer your CSUMentor information to the FAFSA on the Web

Create an account if you're a first-time CSUMentor user and have not created an account on another Xap-powered site such as CaliforniaColleges.edu or CCCApply.org. It's quick, easy, and free.

Online applications already submitted:

Note: You CANNOT modify or resubmit applications you have already submitted. Submitting an application on the internet is similar to mailing in your application: once it is submitted, the university has it and online modifications are not possible. Changes might only be made by contacting the university's admissions office.

If you would like to print out a copy of all the information submitted in your application (for your records only), click the "View" link below for the CSU campus you wish to print and click the corresponding link in the application agreement statement.
