CHAPTER 1: INTRODUCTION

Start typing text here (*dissertation text*). See directions on using the Style box to obtain formatting for dissertation text, headings, subheadings, block quote spacing, etc.

1st-Level Heading

Return to *dissertation text* style for the next textual block of material. Be sure to review the Template Directions as well as the Headings section in the Graduate Division's published *Guidelines and Procedures for Dissertation Preparation* for further specific directions and examples.¹

2nd-Level Heading too Long for One Line Are Placed on Two or More Lines

The template should return you to the *dissertation text* style as the style following the side heading.²

3rd-Level Heading

The template should return you to the *dissertation text* style as the style following the side heading.³

A fourth-level heading. Use the *dissertation text* style for this level of heading. Highlight and italicize the first sentence only, in order to complete the
