

I know the clock is clicking and it is almost time to grab our lunch boxes and take a well-earned winter break from school.

BUT FIRST, we want to reconvene our wonderful Fresno State ECE Program Advisory Board for our

ANNUAL ECE ADVISORY BOARD MEETING

**THURSDAY, DECEMBER 12, 2013
FROM 5:30 TO 7:00
In ED54
Kremen School of Education**

Please be our guest for dinner and spend an hour and a half of your precious time relaxing, breaking bread together, and ...

- ☞ Hearing about the ECE Program's accomplishments of the past year and meeting our new faculty, Dr. Cathy Yun
- ☞ Hearing about the new projects the ECE Program is planning for the next year
- ☞ Providing input to us with regard to employment opportunities and professional trends and training needs
- ☞ And most importantly, celebrating the graduation of eight very excited Masters' Degree students who will be joining us.

Your attendance is very important to us. Please RSVP by Thursday, December 5 so that we may confirm our catered dinner. We thank you for your on-going support of the Early Childhood Education Program at Fresno State. Please RSVP to Susan at smacy@csufresno.edu. Hope to hear from you soon.
