IAP Review: Teaching Strategies for English Learners - Teresa Huerta/Laura Alamillo

After reporting that this category has met the chancellor's outcomes, Laura Alamillo & Teresa Huerta reviewed the IAP outcomes, actions, timelines.

IAP Review: Reading in the Content Area – Steve Hart

Recommendations: Faculty will meet on regular basis to discuss different social science concepts and how they are covered and aligned with competencies in LEE 173. New Social Science activities and a unit were included in the syllabus for 2011-2012. Faculty have been trying to find a textbook that links reading and social studies; a good one has not been found.

New IAP: Field work draft

Janine Quisenberry and Jane Moosoolian handed out a draft of the IAP Review for fieldwork. Co-teaching competencies are included in each field experience.

Reading Program meeting RE: LEE 173/EHD 174

Steve Hart reported that the reading faculty has met to discuss changes to LEE 173/EHD 174 competencies; the decision was tabled because the EHD 174 faculty were not consulted.
