## **WORKSHOP**

**to prepare you for the CSET in General Science:Physics; General Science:Chemistry; General Science: Geoscience or specialty tests in one or more of these three subject areas.**

---

Individuals seeking a teaching credential can establish subject matter competency by passing the appropriate subject matter assessments of the California Commission on Teacher Credentialing approved California Subject Examinations for Teachers (CSET). This two-part **workshop on chemistry, physics, and geosciences will target the January 10 CSET test date** by covering the subject matter needed to pass the appropriate CSET exams for these discipline areas.

**Workshop Dates:** Saturday, November 22nd and Saturday, January 3<sup>rd</sup>.

**Workshop Times:** 8:30 – 4:30 (lunch break 11:30 – 12:00)

**Instructors:** Dr. Brad Huff and Dr. David Tinker

**Location:** CSU, Fresno campus – Both workshops will be held in Room 207 of the Science 2 Building.
