Career Goal				Expected Date of Graduation		
Ethnicity	African American	Hispanic/Latino	Native American	Pacific Islander	Other, please specify:	
Class Status (check one)	Freshman	Sophomore	Junior	Senior	Post-bac/ Graduates are <b>not</b> eligible	

The program is designed for students interested in obtaining research degrees. Students interested in obtaining professional degrees (law, medicine, dentistry, pharmacy, or an MBA degree or teaching credential) are not eligible. Priority is given to first time applicants. Students are eligible to participate up to two years.

**Please Read the Following:**

- You must have a completed general LSAMP application on file in order to apply to the LSAMP Summer Research Internship Program and/or the LSAMP Academic Year Research Internship Program.
- You are eligible to reapply and participate in the LSAMP Research Internship Program for up to two years, as long as you are an undergraduate student and active LSAMP student.

- If selected to participate, you will be required to complete 160 hours total during the summer component and may be eligible to continue for an additional 160 hours during the academic year. This requirement must be met in order to receive your stipends. If total research hours are not met stipend amounts may be prorated.
- If selected to participate you will be required to conduct an oral power point presentation at the end of the summer for the LSAMP Summer Research Internship
- If selected to participate you will be required to conduct a poster board presentation at the end of the spring semester (May 2013) for the LSAMP Academic Year Research Internship.
- If selected to participate you will be required to *attend* (encouraged to apply and present) at the Central California Research Symposium at Fresno State in April 2013. Additionally, you will need to discuss other conference opportunities with your faculty mentor. Note: LSAMP may be able to fund your conference participation if funding is available. Priority is given to students presenting research.
- If selected to participate you must attend regular research training workshops (which may be offered as a topics course), EDGE course (ropes course), the LSAMP GRE preparation course, and research roundtable sessions.
- All stipends are processed through the Financial Aid office.

**On a separate sheet of paper answer the following questions and attach to application. Please type your answers and number each answer accordingly.**

1. What research experience do you have? Prior research experience is not required.
2. Indicate an area of research that is of particular interest to you (i.e. biology, chemistry, physics, computer science, engineering, mathematics, agriculture science, technology) and why? It is recommended that you review faculty research interests and also discuss research interest with your faculty advisor(s).
3. The LSAMP Summer Research Internship takes place during the summer 2012 and the LSAMP Academic Year (AY) Research experience 2012-2013 during the academic year. Both programs are *contingent upon funding*. During the summer you are required to complete 160 hours in addition to the scheduled activities. During the AY you are required to work on your research project 5-10 hours per week for a total of approximately 80 hours per semester. You must be willing and able to complete required hours and attend meeting/activities. You must be enrolled at Fresno State at least one semester during the academic year in order to participate in the Research Internship during the AY 12-13.

4. Are you currently receiving federal support for conducting research or participating in another federally funded program which provides stipend support for research? If so, name the program and or research project. Note: Federal funding for similar research projects is not allowed.

*I have read the above requirements and understand that I must commit and fully participate in the LSAMP Research Internship Program and all related events and activities in order to successfully complete the program and receive full payment of stipends.*
