\* **Time to degree** refers to the number of terms enrolled from the first term to the graduation term. The first term refers to the term in which a student starts to enroll as an undergraduate student if he/she receives a bachelor's degree. Fall and spring terms are counted as one; summer sessions are counted as 0.5.

\*\* The Headcounts only include students whose entering terms could be found in the ERSS database. Also the students in credential programs are excluded.
