### PRESIDENT'S MESSAGE

Greetings to all of you!!

Where does the time fly?? I continue to race around each day (even though I am now "retired"), wondering how I was able to fit everything I do in and still work at least 8 - 10 hours a day?

We had a wonderful Fall Coffee!! Thanks so much to Sharon Mullennix, our Program Chair! Our presenters from University High School were so informative and engaging. The knowledge they shared about charter schools, how they are run, and the excellence in student outcomes was quite phenomenal. We also were given information regarding the funds that parents and the school expend each year in order to achieve what is offered for student participation.

In addition to great presentations we were graced with the presence of all five of our Scholarship Recipients for the 2012-2013 academic school year. Thanks so much to Genie Montanye, our Scholarship Chair! Each of the students was introduced and spoke a bit about themselves; and one student even brought her professor. We are so in awe of their quick minds and commitment to make a difference in the world.

In closing, President Welty's University Open House (back on September 25, 2012) was well attended. We enjoyed meeting up with old friends and making new ones as we greeted and assisted people taking a tour of this historic mansion. Thanks again, to President Welty for giving us that opportunity.

Smiles,  
Carolyn Doyel

PS: In attempting to answer my question, "Where does the time fly," I found the following quote by Thomas Drier:

*If we are ever to enjoy life, now is the time --  
not tomorrow or next  
year. The best preparation for a better life  
next year is a full,  
complete, harmonious, joyous life this year.*

I wish you well, my friends. Hope to see you at the  
Holiday Luncheon on Dec. 1st.
