_____ **Environmental Studies** (3)

1 of the following: GEOG 127(**Spring-Even Only**), 128, 135 (**Spring-Odd Only**), 139T

_____ **Geographic Information Systems (GIS) and Remote Sensing** (3)

1 of the following: GEOG 140 (**Spring-Odd Only**), 141 (**Fall Only**), 142 (**Spring Only**), 143 (**Fall-Odd Only**), 149 (**Spring-Odd Only**), 150, 151 (**Spring Only**), 152

_____ **International Development Studies** (3)

1 of the following: GEOG 160 (**Fall-Even Only**), 161 (**Fall Only**), 162 (**Fall-Even Only**), 163 (**Spring-Odd Only**), 164 (**Fall-Odd Only**), 165 (**Spring-Even Only**), 166 (**Fall-Odd Only**), 167

_____ **Global and Regional Studies** (3)

1 of the following: GEOG 170T, 171T, 173, 174, 175T, 177T, 178 (**Spring-Even Only**), 179 (**Fall-Odd Only**)

_____ **Urban and Regional Planning** (3)

1 of the following: GEOG 181 (**Fall Only**), 184, 187T

Approved geography electives (12 units) upper-division courses (Consult with your advisor for approval)

Elective 1: _____ (3)

Elective 2: _____ (3)

Elective 3: _____ (3)

Elective 4: _____ (3)

Additional Major requirements (3 units)

_____ IS 52 and 52L, OR SOC 172

Electives (24-27 units)

Advising Notes

1. No more than 3 units of GEOG 195 may be applied to the geography major.
2. CR/NC grading is not permitted in the geography major with the exception of GEOG 192 and 195.
3. General Education and elective units may be applied to a second major or a minor (see double major or departmental minor).
4. Students must regularly consult with their academic adviser. Such consultation will facilitate course selection and enable the student to develop a program consistent with individual interests and needs.
5. The selection of electives within the major should be strongly influenced by career goals, interests in graduate study, and related matters. Whether one's interest focuses on environmental protection, planning, cartography, GIS, locational analysis, or any one of a wide array of geographic competencies, the department can provide current applicable information. Inquiries are welcomed.
