

# COSS LINKED PEER MENTOR PROGRAM

---

---

MENTEE NAME: \_\_\_\_\_ | STUDENT ID: \_\_\_\_\_ | EMAIL: \_\_\_\_\_

This is a new transition for many of the students at Fresno State. The COSS Linked Peer Mentor Program developed by the College of Social Sciences Advising Center was created to get students more engaged and involved in their college. We believe the more students get involved with their department's academic and extra-curricular activities, the more prepared they are for their junior and senior year opportunities.

1. Maintain a 2.0 GPA in the most current academic semester.
2. Student must be a major or minor in the College of Social Sciences.
3. Must check-in with Peer Mentor bi-weekly (email, phone, or appointment).
4. Must attend **one** COSS Linked Workshop & **one** COSS Linked Social per semester.
5. Must be prompt and keep scheduled appointments with the Peer Mentor.
6. Contact Peer Mentor to make him or her aware of any obstacles which might hinder academic success.
7. Must attend any workshops or meetings (faculty or support service) that the Mentor has assigned during check-ins.

### Participation Notes:

\*Students that attend two COSS Linked events will receive College of Social Sciences T-shirt.

\*To receive pad folio, students must check-in twice per month, complete all peer mentor assignments, attend one (1) fall social, two (2) COSS Linked Workshops, and be present to receive pad folio ceremony Friday, April 26<sup>th</sup>, 2019.

\*Failure to maintain program minimum GPA may lead to dismissal from program to allow student to focus on coursework. Peer Mentee must meet with Academic Advisor, Joseph Escoto, to discuss a study plan.

I have read the above agreement and understand my obligations as a Peer Mentee. Failure to maintain these standards could lead to dismissal from program.
