CLAS Central Valley Conference

### *Independencia en las Américas: History, Impact, and Consequences*

#### **Information Statement:**

The 2009 **CLAS Central Valley Conference** develops a dialogue about the significance of the 200th anniversary of the independence of Latin American countries in our world today. This conference is a part of our ongoing CLAS Central Valley Latin American Project, which aims to address social, historical, and cultural issues affecting Latinos/as in the Central San Joaquin Valley. Thus, the conference aims to provide K-12 teachers with educational support and unique ways of incorporating Latino themes into their diverse curriculum.

We welcome all conference attendees to share this dialogue in an engaged community setting. Enjoy!
