

Executive Order 665 requires that if you are not exempt from the EPT and do not pass the EPT, you must enroll in English 1 with a lab during the first year you attend Fresno State. Note: International and/or ESL students may need ESL 20 or 30 with a lab before English 1.

ENGLISH PLACEMENT TEST (EPT)

A passing score at Fresno State for the EPT is defined as a minimum total score of 151. You must have this minimum score in order to register for English 1. If you do not pass, you must register for English 1 with a lab. *The EPT may be taken only one time.* **International students** must consult with the International Student Services and Programs Office for further information about English language testing.

If your EPT score is 141 or below and your EPT Reading score is 135 or below, then you are advised to enroll in Linguistics 40T (Academic Reading Strategies, 3 units).
