

SELECTING CLASSES

In this section, you will learn how to develop a class schedule for Fall 2005 and Spring 2006.

Steps to Take...

Review the list of **POSSIBLE CLASSES FOR FIRST-TIME TRANSFERS** found on page 11.

Read the course descriptions in the *General Catalog* to see what the course is about and if there are any prerequisites.

Review the information for new students on pages 5 through 12 of the *Class Schedule*.

Prior to planning classes, you should become familiar with the G.E. requirements for your major. Consult with your faculty advisor and your *General Catalog* major requirements section Advising Notes.

If you still have questions, contact your academic advisor/faculty advisor.

Use the **PLAN AHEAD** guide on page 23 for future semesters.

If you scored 3 or better on an Advanced Placement Exam, you may be granted from 3 to 6 semester units of college credit for each examination. Be sure to order official scores for Fresno State.

REGISTERING FOR CLASSES

You will register for your classes at Fresno State in one of two ways:

- through the self-service options available via the web: <http://my.csufresno.edu>
- using the touchtone telephone method

All registration fees must be paid by the specified deadline. If fees are not received by this date, your classes are subject to cancellation.

Review the *Class Schedule* for directions and tips, and pay close attention to the instructions you receive.

As you prepare to register for classes, be aware of the following:

- You should know your student ID (KeyCard) number.
- Check registration holds by using the “My Fresno State” portal: <http://my.csufresno.edu>.
- The maximum number of units you can register for is 18. However, it is generally recommended that students enroll in 12 to 15 units.
- The system may restrict registration in certain classes based on major and/or class level.
