What is TIPS Training:

TiPs trains servers, & university students to prevent intoxication, drunk driving, and underage drinking. Applicants can apply for one of the following program grants offered in TiPS training.

TiPS University

A three hour program designed to show students why, when and how to intervene with their peers to prevent alcohol related problems that may arise due to the misuse of alcohol. This training is designed for student groups and/or organizations who host social gatherings and events where alcohol is served, or volunteer to serve at functions where alcohol is served.

TiPS Commercial

A five hour program designed to consider a variety of social settings such as; concessions, gaming, catering, restaurants, bars and hotels. Training includes why, when and how to intervene with customers to prevent alcohol related problems that may arise due to the misuse of alcohol. This training is designed for campus entities that provide a third party vendor function as a service.
