

How to check if Official Transcripts from other campuses are received from Fresno State

(For Applicants and Newly Admitted students)

1. Log into [my.fresnostate.edu](http://my.fresnostate.edu)
2. Select **Student Self Service**

3. Select **Student Center**

4. Select Green Arrow: **My Admissions and Program Application**  
**Click on each green arrow to expand the desired information.**

5. Scroll down to look for the **Outstanding Transcripts** Box. Look for any in-progress transcripts that are showing in the Outstanding Transcript box.

Outstanding Transcripts				
School	Data Source	From Date	To Date	Transcript Status
Fresno City College	School	09/01/2018	12/01/2018	In Progress

6. If any in-progress transcripts shows on the page, **pay attention to date of transcript**. If dates are future dates then we have received the most updated official transcript. You will not need to order a new one until you finish the current term in-progress.
7. If you are no longer planning to take any future classes at the institution you are transferring coursework from, then you will need to resubmit another official transcript showing no more in-progress work. **Keep in mind; we are only accepting electronic transcripts from all campuses that offers e-transcripts.**

Email used for e-transcript: [imaging@csufresno.edu](mailto:imaging@csufresno.edu)
