

## SPRING 2019 UNDERGRADUATE ADMISSIONS

California State University, Fresno is accepting admission applications from upper division transfer applicants only. The **application filing period is August 1 – August 31, 2018**. Students can apply online at <https://www.calstate.edu/apply>.

Fresno State is impacted at the transfer level and will implement heightened admission criteria. Due to limited space availability, the GPA requirement will be determined based on the number of applications received and will not be determined until after the filing period is over. In addition, we are **only open to upper division transfers who complete an ADT by the end of fall 2018 and have completed the majority of their transfer units from one or more of the following schools:**

- Allan Hancock Community College
- Clovis Community College
- College of the Sequoias
- Fresno City College
- Hartnell Community College
- Merced College
- Modesto Junior College
- Porterville College
- Reedley College
- West Hills Community College
- West Hills College - Lemoore

An applicant must meet the admission GPA requirement with all transferable grades through summer 2018. Students who do not meet the GPA requirement at the time of review will **NOT** be considered for admission. Students who **do** meet the admission GPA can use fall 2018 in progress courses to ensure the Foundation area and/or 60 transferable unit minimum is met.

**Please note:** The postmarked deadline to turn in all required admission documents is Saturday, September 15, 2018. Extensions will not be made to the deadline.

The Cal State site has additional information regarding CSU admission. Applicants are encouraged to pay close attention to document deadlines. Applications that remain incomplete will not be processed. Additionally, students can access information regarding spring admission and document deadlines at <http://fresnostate.edu/are>.
