

IMPACTION PUBLIC HEARING

Tuesday, March 3<sup>rd</sup>

6 in attendance

---

Q – Comment addressed to committee: Sorry for not having more in attendance. Thank you for your support for coming out to COS. Hears and understand that it is a funding problem but asking that Fresno State be up front about it. Being forward and honest would be appreciated

Q – Student says there needs to be a bill created that would help all students so that cut backs in enrollment wouldn't be necessary.

Q – How many of the 5000 transfer apps would be from our area?

A – None since they are local. Only 65 non-local would not be accommodated.

Q – Who would be affected?

A – Explanation of out of service area.

Q – Will there be higher standards for outside of our area?

A – Reiterated gpa will rise to 2.20 from 2.00. Those with a sb1440 would get a .2 bump up in their gpa.
