ASI's 4th Annual Community Revitalization Summit

(FRESNO, Calif.) –Associated Students, Inc. (ASI) will host the third annual Community Revitalization Summit on Monday September 12, 2016. The summit serves as an outlet for the Fresno State community to discuss and focus efforts toward improving safety, increasing awareness of the efforts to revitalize at-risk neighborhoods surrounding campus and reduce the high crime rates.

This half-day event promotes meaningful partnerships between student leaders, University Administration and faculty, city agencies, local businesses, and non-profit organizations.

"The Community Revitalization Summit will positively benefit the Fresno State community because it will give students, faculty, staff, and community members the opportunity to discuss issues that the community is facing", said ASI President Tim Ryan. "We can all be involved in creating solutions in order to build up Fresno State and the surrounding neighborhoods together."

The Community Revitalization Summit is an open invitation event to all community members, students and stakeholders surrounding the community. The summit will continue to foster the partnerships that have been created and to help establish new partnerships between organizations.

The event will take place from 11:30 A.M. to 3:00 P.M. in the Fresno State North Gym 118 (5241 N. Maple Ave Fresno, CA 93740).

###

As the recognized student body government organization at California State University, Fresno, Associated Students, Inc. (ASI) provides a means for effective student participation in the governance of the University, fosters awareness of student opinions on campus issues, assists in the protection of student rights, and provides programs and services to meet the needs of the students and campus community.
