The resignation shall be effective when the notice is given unless it specifies a later time for the resignation to become effective. If a Senator's resignation is effective at a future time, the Student Senate may elect a successor to take office as of the date when the resignation becomes effective. No Senator may resign if the Corporation would be left without at least one duly elected Senator.

A Senator may be removed without cause if such removal is approved by the Members of the Corporation. A Senator may be removed with cause, by a two-thirds (2/3) vote of all other Senators at the time in office at any regular meeting or special meeting of the Student Senate. The Student Senate may set specific attendance guidelines that may cause a Senator to be removed for failure to attend Student Senate meetings, as described in the paragraph below. Any Senator who fails or ceases to meet any required qualification that was in effect at the beginning of the Senator's current term of office may be removed.

A Senator may be removed from office, at the discretion of the Executive Vice President, for missing a total of four (4) meetings per semester which include required ASI standing committee meetings, Executive Vice President one-on-one meetings, and regularly scheduled ASI Student Senate meetings. Of the allotted number of allowed absences no more than two (2) may be allocated toward regularly scheduled ASI Student Senate meetings or special ASI Student Senate meetings held at the same time as regularly scheduled ASI Student Senate meetings. Two (2) absences during the summer or winter break meetings shall be computed as one (1) absence towards the attendance record for the term. Senators who are not in attendance at the time of roll call will be considered tardy and two (2) tardies shall be equivalent to one (1) absence.

A Senator who does not attend two successive Student Senate meetings will automatically be removed from the Student Senate without Student Senate resolution unless:

(b) The Senator suffers from an illness or disability which prevents him or her from attending meetings and the Student Senate by resolution waives the automatic removal procedure of this subsection; or

Vacancies in the Student Senate shall be filled by an appointment of the President, in consultation with the Personnel committee, and must be approved by a simple majority vote of the Student Senate.

The time and place of such meetings will be stated in the minutes of the previous meeting of the Student Senate. Meetings of the Student Senate may be open or closed to the Members depending on the nature of the subject matter discussed at such meetings. All meetings shall strictly follow Education Code Sections 89305-89307.4, otherwise known as the Gloria Romero Open Meetings Act of 2000, as amended.

ARTICLE VII

INDEMNIFICATION OF SENATORS, OFFICERS, EMPLOYEES AND OTHER AGENTS

Section 7.01 **Agents, Proceedings, and Expenses.** For the purposes of this Article VII, “agent” means any person who is or was a Senator, Officer, employee, or other agent of this Corporation; “proceeding” means any threatened, pending, or completed action or proceeding, whether civil, criminal, administrative, or investigative; and “expense” includes, without limitation, attorney’s fees and any expenses of establishing a right to indemnification under Section 7.04 or 7.05(b) of this Article VII.

Section 7.02 **Actions Other Than By the Corporation.** This Corporation shall have the power to indemnify any person who was or is a party, or is threatened to be made a party, to any proceeding (other than an action by, or in the right of, this Corporation to procure a judgment in its favor, an action brought under Section 5233 of the California Corporations Code, or an action brought by the Attorney General or a person granted relator status by the Attorney General for any breach of duty relating to assets held in charitable trust) by reason of the fact that such person is or was an agent of this Corporation, against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with such proceeding if that person acted in good faith and in a manner that person reasonably believed to be in the best interests of this Corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of that person was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manners which the person reasonably believed to be in the best interests of this Corporation or that the person had reasonable cause to believe that the person’s conduct was unlawful.

Section 7.03 **Actions By the Corporation.** This Corporation shall have the power to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action by, or in the right of, this Corporation, or brought under Section 5233 of the California Corporations Code, or brought by the Attorney General or a person granted relator status by the Attorney General for breach of duty relating to assets held in charitable trust, to procure a judgment in its favor by reason of the fact that person is or was an agent of this Corporation, against expenses actually and reasonably incurred by that person in connection with the defense or settlement of that action if that person acted in good faith, in a manner that person believed to be in the best interest of this Corporation, and with such care,

including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances. No indemnification shall be made under this Section 7.03 for any of the following reasons:

- (a) In respect of any claim, issue or matter as to which that person shall have been adjudged to be liable to this Corporation in the performance of that person's duty to this Corporation, unless, and only to the extent that, the court in which such proceeding is or was pending shall determine upon application that, in view of all the circumstances of the case, that person is fairly and reasonably entitled to indemnity of the expenses and then only to the extent that the court shall determine;
- (b) Of amounts paid in settling or otherwise disposing of a threatened or pending action, with or without court approval; or
- (c) Of expenses incurred in defending a threatened or pending action which is settled or otherwise disposed of without court approval unless it is settled with the approval of the Attorney General.

Section 7.04 **Successful Defense By Agent.** To the extent that an agent of this Corporation has been successful on the merits in defense of any proceeding referred to in Sections 7.02 or 7.03 of this Article VII, or in defense of any claim, issue, or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection therewith.

Section 7.05 **Required Approval.** Except as provided in Section 7.04 of this Article VII, any indemnification under this Article VII shall be made by this Corporation only if authorized in the specific case upon a determination that indemnification of the agent is proper in the circumstances because the agent has met the applicable standard of conduct set forth in Section 7.02 or 7.03 of this Article VII, by any of the following:

- (a) A majority vote of a quorum consisting of Senators who are not parties to the proceeding; or
- (b) The court in which the proceeding is or was pending, upon application made by this Corporation or the agent or the attorney or other person rendering services in connection with the defense, whether or not such application by the agent, attorney, or other person is opposed by this Corporation.

Section 7.06 **Advance of Expenses.** Expenses incurred in defending any proceeding may be advanced by this Corporation before the final disposition of the proceeding upon receipt of an undertaking by, or on behalf of, the agent to repay the amount of the advance unless it shall be determined ultimately that the agent is entitled to be indemnified as authorized in this Article VII.

Section 7.07 **Other Contractual Rights.** No provision made by a corporation to indemnify its Senators or Officers for the defense of any proceeding, whether contained in the Corporation's Articles of Incorporation or Bylaws, a resolution of the Student Senate, an agreement or otherwise, shall be valid unless consistent with this Article VII. Nothing contained

in this Article VII shall affect any right to indemnification to which persons other than Senators and officers of this Corporation may be entitled by contract or otherwise.

Section 7.08 **Limitations**. No indemnification or advance shall be made under this Article VII, except as provided in Sections 7.04 or 7.05(b), in any circumstances where it appears:

(a) That it would be inconsistent with a provision of the Articles of Incorporation, Bylaws, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

(b) That it would be inconsistent with any condition expressly imposed by a court in approving a settlement.

Section 7.09 **Insurance**. Upon and in the event of a determination by the Student Senate of this Corporation to purchase such insurance, this Corporation may purchase and maintain insurance on behalf of any agent of the Corporation against any liability asserted against, or incurred by, the agent in such capacity or arising out of the agent's status as such whether or not this Corporation would have the power to indemnify the agent against the liability under the provisions of this Article VII; provided, however, that this Corporation shall have no power to purchase and maintain such insurance to indemnify any agent of the Corporation for a violation of Section 5233 of the California Corporations Code.

ARTICLE VIII **RECORDS AND REPORTS**

Section 8.05 **Annual Statement of Certain Transactions and Indemnifications**. As part of the annual report to the Student Senate of the Corporation, or as a separate document if no annual report is issued, the Corporation shall annually make available to each Member a statement of any transaction or indemnification of the following kind, if such a transaction or indemnification took place, within one hundred twenty (120) days after the end of the Corporation's fiscal year:

For this purpose, an "interested person" is any Senator or Officer of the Corporation, its parent, or subsidiary (but mere common directorship shall not be considered such an interest).
- (b) Any indemnifications or advances aggregating more than Ten Thousand and No/100 Dollars (\$10,000.00) paid during the fiscal year to any Officer or Senator of the Corporation under Sections 7.01 through 7.03 of these Bylaws, unless that indemnification has already been approved by the Student Senate under Section 5238(e)(2) of the California Corporations Code.
