### **Fresno State Prepares for New Student Representation**

(FRESNO, Calif.) – Spring semester is rapidly entering the last leg and preparations for the next year are being put in place. This means Associated Students, Inc. (ASI) is entering election season.

The ASI election process is a simple one in hopes to encourage as many students as possible to vote. Each Fresno State student will receive a unique username and password in their student email the morning of Tuesday, March 19. Voting will begin that Tuesday at 8:00 a.m. and will be open until Thursday, March 21 until noon.

Students will be voting for president, vice president of external affairs, vice president of finance, a senator for each of the eight colleges, and then seven at-large senators. Voters can expect an additional question confirming the ASI articles of incorporation already approved by ASI senate and legal counsel. You can see more info at [asi.csufresno.edu](http://asi.csufresno.edu).

Running for president position are Moses Menchaca, Jose Nava, and Lucas Lundy.

Voting in the 2013-2014 ASI elections will be only online. Students should not delete their username and password until after voting. If the information is lost, the ASI office can assist students in obtaining their login information from the ballot company.

###

*ASI is a body of elected student representatives that encourages student involvement in campus-wide decisions and funds student programs. As the student government we ensure that students' rights are protected and their voices are heard.*
