**ASI Hosts Base Camp Dinner**

(FRESNO, Calif.)- Associated Students, Inc. (ASI) continues their tradition of hosting the first dinner of the fall semester. This year, ASI will purchase meals from University Catering to be served today from 5 p.m. to 6 p.m. at Wesley United Methodist Church. (1343 E Barstow Ave Fresno CA 93710)

ASI executives and senators will host and serve food to the community before joining them.

ASI regularly recruits student volunteers for Coordinator of Basecamp, to serve meals the remaining Thursday nights of the entire academic year. Basecamp dinner is a weekly community dinner, free and welcome to anyone, held year round in the El Dorado Park every Thursday evening.

"Fresno State students bring such a wonderful spirit of giving when they come to Basecamp and we look forward to seeing them each and every week," said Christie Sartor, Coordinator of the Basecamp Dinner.

Various student groups including clubs, organizations and those completing classrooms service requirements can register to serve at Basecamp dinners by completing the following application on OrgSync: <https://orgsync.com/11894/forms/83226>
