ASI Hosts Food Drive to Feed El Dorado Park Community

Associated Student Inc. (ASI) is hosting a food drive for the month of November. The goal is to collect up to 300 pounds in non-perishable food items for the El Dorado Park community.

All Fresno State clubs and organizations are welcome to compete to see who can bring in the most donations. The group who brings in the most food by Friday November 22 will win a pizza party courtesy of ASI. In addition, the organization that uses their creativity and decorates their given box the best will win a smaller prize.

It is also asked that the winning team be present at the food distribution, taking place Saturday November 23 from 9 a.m. to 10 a.m. , where the donated items will be given to members of the El Dorado Park community.

“The immediate goal is to feed the families in the community and a secondary goal would be to inform more clubs and organizations about service opportunities,” said Rocker.

If any club or organization is interested in competing and registering in the food drive challenge, please contact ASI’s Programs & Volunteer Coordinator, Ashleigh Rocker, VIA email at arocker@csufresno.edu or (559)278-7703.
