ASI Votes in New Senator of Lyles College of Engineering

(FRESNO, Calif.) – On Wednesday, Nov. 28, Associated Students, Inc. (ASI) voted in Marco Castaneda as the new Senator for the Lyles College of Engineering.

Castaneda is studying Geomatics Engineering at Fresno State and is also a member is the Pi Kappa Alpha fraternity.

“I would like to reach out to the numerous clubs in the Lyles College of Engineering and help represent them.” Castaneda said.

The seat for Senator of the Lyles College of Engineering had been considered vacant due to excessive absences of former senator, Adrienne Olaivar. Castaneda was voted in 11-2.

###

ASI is a body of elected student representatives that encourages student involvement in campus-wide decisions and funds student programs. As the student government we ensure that students’ rights are protected and their voices are heard.
