IRA Application Deadline

(FRESNO, Calif.) Instructionally Related Activities (IRA) applications are now available and due to Associated Students, Inc. on Friday, October 2.

The goal of the IRA program is to provide student fee funding for activities that will enhance the learning experience for students outside of the regular classroom environment.

Instructionally related activities include, but are not limited to: intercollegiate activities, radio, television, film, music and dance performance, drama productions, art exhibitions, publications and forensics.

Any Fresno State student, club, or group of students can apply with the approval of the department chair.

Activities must be departmentally based and sponsored, integral to course offerings, intensive and structured activities, require active rather than passive student involvement, and engage students in performances, presentations, or competitions that demonstrate skills from participation in intensive class work.

IRA applications are reviewed during the fall of each year by a board consisting of faculty and students. Download a 2015 IRA application and policy information on the ASI website or visit the ASI business office in USU 317. Applications must be submitted by 5:00 p.m. on Friday, October 2, 2015 to USU 317.

For questions, please contact the ASI business office at 559.278.2656.

###

As the recognized student body government organization at California State University, Fresno, Associated Students, Inc. (ASI) provides a means for effective student participation in the governance of the University, fosters awareness of student opinions on campus issues, assists in the protection of student rights, and provides programs and services to meet the needs of the students and campus community.
