Students Invited to Meet Deans Over Coffee

(FRESNO, Calif.) – Fresno State’s Associated Students Inc. (ASI) is hosting a morning social open to all students. On Thursday, Nov. 15 from 9:30 – 10:30 a.m., students will be provided a chance to meet with the Deans of the Craig School of Business over coffee and donuts. This event will be in the Craig School of Business Lounge, next to Peters Business 181.

“Students will get to meet with their deans in a relaxed environment and ask questions if wanted,” Joseph Taviano, ASI Senator for the Craig School of Business, said.

With so many changes to the CSU system as a whole, class availability issues, changes to major requirements, and other educational opportunities that are out there, ASI wanted to provide an opportunity for students to be heard and ask questions that they need answered.

"For the past several Donuts with the Deans events, there has always been a steady student interest in coming by and speaking with the Deans. And, we all know that when some free food is involved, that we will have a good turnout," Taviano said. "I hope to see lots of students come by, even if it is only in between classes."

###

ASI is a body of elected student representatives that encourages student involvement in campus-wide decisions and funds student programs. As the student government we ensure that students’ rights are protected and their voices are heard.
