What does CAMP do?

The College Assistance Migrant Program (CAMP) at Fresno State provides supportive and retention services to college students from migrant and seasonal farmworker families. CAMP works with campus faculty, student services and community based agencies to improve educational opportunities for CAMP students.

Is CAMP for me?

If you are entering Fresno State and have a migrant or seasonal background, or if you're an identified migrant student, CAMP is for you. As a retention service, we are concerned with helping you stay in school. We will help you explore your academic and career choices and make sure that you have the information you need to make the decisions which will shape your future.
