

Dogs United: Increasing Cross-Cultural Interaction at Fresno State

What is it?

“Dogs United” is a movement to encourage, increase, and acknowledge Cross-Cultural interaction on our campus.

This logo will be included in the publicity of all the participating events

This is the result of work done by individuals at the campus' Annual Diversity Conference in 2013.

Almost 100 campus and community members came together and worked in small groups to share ideas on how we can increase our cross-cultural interactions at Fresno State campus.

The results—DOGS UNITED!
