## **DREAM OUTREACH CENTER**

University Outreach Services

Division of Student Affairs and Enrollment Management

### **PROGRAM OVERVIEW**

#### **VISION:**

The vision of the Dream Outreach Center is to inform dream students and their families of the educational opportunities available at Fresno State.

#### **MISSION:**

The mission of the Dream Outreach Center is to provide dream students access to higher education through advocacy, outreach, assistance, and mentoring.

#### **SERVICES:**

The Dream Outreach Center (DOC) advocates for the integration of dream students in all programs, departments, and services within the university and the community.

DOC promotes educational opportunities for dream students and their families.

DOC ensures that dream students receive admission application assistance, financial aid guidance, orientations, and skills development support.

DOC refers dream students to adequate and affordable immigration services.

DOC informs dream students of the resources available to them on and off campus.

DOC works closely with the Scholarships Office and the Division of Student Affairs development officer to identify and conduct fundraising activities that may assist dream students.
