Welcome to the Testing Office Website

The primary mission of the Office of Testing Services is to assess student's academic skills so as to enhance their opportunity to achieve academic success. In addition to this, Testing Services makes available to students, as well as the general public, test proctoring services (paper & pencil, computerized testing and online), certification testing, testing for college credit, graduate and medical entrance testing and special accommodations services. Testing Services strives to maintain the highest standards in testing technology and delivers these services with equally high standards of trust and confidentiality while maintaining the integrity of all testing instruments and records.
