On the FAFSA you answered yes to one of the questions for federal benefits. Please check the box and provide the required documentation requested for the situation that applies to you.

**Documents must cover either 2012 or 2013 to be eligible.
Documentation for only ONE of the benefits needs to be provided.**

- Supplemental Security Income**- Attach copy of letter from Social Security Administration indicating monthly amount of Supplemental Security Income. Also acceptable is print out from the Social Security Administration office of the amount paid for the year in question. Note that this is **not** the same as Social Security Benefits; it is supplemental to the benefits.
- Free/Reduced School Lunch** - Attach copy of the school district letter indicating qualification for free or reduced lunch for the academic year. You can also provide a letter from school on letterhead verifying that the child qualified for the academic year.
- TANF** - Attach a copy of the letter from the County Office indicating the monthly amount of TANF (Cash Aid). Also acceptable is a print out from the County Office of the amounts paid to you for the year in question.
- WIC** – Attach a copy of the benefits folder (both back and front) with name(s) and dates showing. Also acceptable is a print out from the County Office of the amounts paid to you for the year in question.

None of the above was received in 2012 or 2013
