

SATISFACTORY PROGRESS POLICY

In accordance with state and federal regulations, California State University, Fresno has established standards of satisfactory academic progress (SAP) for all financial aid applicants. These standards apply to all grant, loan and work-study programs administered by the Financial Aid Office. The purpose of these regulations is to encourage the timely and successful completion of a degree or credential objective. All prior academic activity at the college level is considered in determining SAP whether or not financial aid was received.

When accepting disbursement of a financial aid award you are entering into a contract with the Financial Aid Office agreeing to maintain satisfactory academic progress. It is important that you read and understand the following financial aid standards for maintaining SAP.

NOTE: There will be NO undergraduate funding after 180 attempted units

ELIGIBLE ACADEMIC PROGRAMS

Financial aid funds are available only to students who are admitted and enrolled in an eligible degree or credential granting program.

MINIMUM ENROLLMENT REQUIREMENTS

Most financial aid programs require a minimum enrollment of 6 units for undergraduate or 4 weighted units⁶ (200 series) for graduate students. Limited Federal Pell Grant funding is available for eligible undergraduate students enrolled in less than 6 units.

MINIMUM UNIT COMPLETION REQUIREMENTS

To maintain Satisfactory Progress, students must successfully complete a minimum percentage of the total units they have taken. (Refer to Table)

Units passed successfully refer to the completion of units with grades of A, B, C, D, or CR. Units with a grade of F, I, IC, W, WU, NC, RD, RP, or AU are excluded.

Total units taken refer to all units taken at California State University, Fresno plus all accepted transfer units whether or not degree applicable. Repeated units are included, audited units and units dropped before census date are excluded.

HOW TO CALCULATE COMPLETION PERCENTAGE

Using a copy of your Fresno State transcript:

1. Add up all **the total units taken**, including all transferred units, courses with F, I, IC, W, WU, NC, RD, RP, or AU, and grade substitution
2. Add up all **units passed**, including all transferred units and grade substitutions
3. Divide to calculate your percentage by:
$$\frac{\text{Units Passed}}{\text{Total Units Taken}}$$

Total Units Taken ²	Target % ³	Undergraduate Minimum% ⁴	Post-Bacc Minimum% ⁴
0 – 14.99	100%	50%	70%

45 – 59.99	100%	73%	77%

75 – 89.99	100%	80%	82%
90 – 104.99	100%	83%	85%
105 – 119.99	100%	85%	87%
120 – 134.99	100%	87%	89%
135 – 149.99	100%	88%	90%
