We recommend you first accept Stafford Loans before making an Alternative Loan request.

Our policy is that you complete the [Free Application for Federal Student Aid](#), if you have not already done so. You can apply online at: www.fafsa.ed.gov. Nearly every student will be eligible for some type of student aid, even if it is limited to Unsubsidized Federal Stafford Loan. Federal student loans in general have better terms and conditions than alternative loans. Most alternative loan lenders assume you have applied for federal student loans *before* you consider additional alternative loans.

We recommend that you comparison shop among different alternative loan lenders. Note that websites and brochures from lenders may not give you the current interest rates and often do not tell you all of the possible loan fees.

These loans will be disbursed in two payments, at the beginning of each term. *All loans will be certified as full academic year loans.* If you plan to attend for only one semester, you must indicate this in writing to the Financial Aid Office.

After the awarding of TitleIV aid I am still interested in obtaining an alternative loan and indicate this desire by completing the information below, signing and submitting this form.
