

Disbursement Information 2010/2011

Financial aid disbursements will initially be prorated based on units of enrollment. At “census date” financial aid eligibility will be re-evaluated. Your award may be revised based on actual census date enrollment.

Each student has an account showing registration fees, tuition, course fees and payments to the account. All your financial aid, excluding Cal Grant Access, will be applied to these charges. The balance of funds will be either [DIRECTLY DEPOSITED](#) into your bank account or mailed to the mailing address in your [STUDENT CENTER](#). Disbursements are usually processed on Wednesdays. Direct Deposits are typically made in 24 hours; checks are mailed through the US Postal Service.

Students enrolled and NOT ATTENDING CLASSES must return aid received to the Student Financial Services Office and officially withdraw from those classes.

If you wish to cancel all or a portion of the loans included in a disbursement, (i.e. Federal Stafford, Perkins or Nursing), return the check and provide the Student Financial Services Office with a cancellation request no later than 14 days from the date of the check.

The Registrar will be notified to disenroll students from classes if fees are not paid by the 5th week of the semester.
