On the FAFSA you answered that you/your spouse or your parents paid child support because of divorce or separation or as a result of a legal requirement. If you reported child support paid for a child or children not included in your household size, review the below definition of child support paid, then supply the information requested in the box below. If the amount reported was in error, check the box confirming that the amount reported was in error, sign the form, and return it to our office.

Check here if there was a reporting error on the FAFSA, and there was NO Child Support Paid in 2011.

Child Support is NOT:
