On the FAFSA you answered yes to one of the questions for federal benefits. Please check box and provide the required documentation requested for the situation that applies to you.

**Documents must cover either 2010 or 2011 to be eligible.
Documentation for only ONE of the benefits needs to be provided.**

Supplemental Security Income

Please attach a copy of your letter from Social Security Administration indicating your monthly amount of Supplemental Security Income. Also acceptable is a print out of the amounts paid to you from the Social Security Administration office for the year in question. Note that this is not the same as Social Security Benefits; its supplemental security income to the benefits.

Free/Reduced School Lunch

Please provide a copy of the school district letter informing you that your child has qualified for free or reduced lunch for the academic year. You can also provide a letter from the school on letterhead verifying that the child qualified for the academic year.

TANF
