

GradesFirst: a Front Desk Guide to logging students in

Our hope is that GradesFirst makes things easier for you as a student. Here is how you can get off the ground using GradesFirst to request a tutor for your course.

1. You can access GradesFirst three different ways, but each way uses your Fresno State Username and password.

- a) Through blackboard you can click on the link pictured below to gain access to GradesFirst.

- b) You can access GradesFirst through your myfresnostate portal (pictured below)

- c) You can also access GradesFirst by typing this address into the url bar:
<http://fresnostateacad.gradesfirst.com>

2. Once you are logged into GradesFirst you will see your course schedule on your home screen. Click the “Request Tutor Appt.” link next to each course and you are on your way to requesting a tutor for that specific course based on times you list as available.
