

Your Food & Mood Pharmacy

Head to the refrigerator, rather than the medicine cabinet, when these troubles strike:

HAVE A HEADACHE?

Rx: A cup of cappuccino

IN A BAD MOOD?

Rx: A bowl of fruit salad with oranges

STRESSED OUT?

Rx: Eat a bowl of chicken noodle soup

FEELING DRAINED?

Rx: A tuna salad sandwich

EXHAUSTED?

Rx: Glass of grapefruit juice

FEELING A COLD COMING?

Rx: Spinach Salad

NOT IN THE MOOD?

Rx: A chocolate truffle

FEELING BLUE?

Rx: A whole grain roll

IN A PANIC?

Rx: A handful of mixed nuts, including brazil nuts

NOT SLEEPING WELL?

Rx: A bowl of cereal with sliced bananas
