Fresno State is impacted at the transfer level and will implement supplementary criteria for admission. Based on space availability, transfer applicants from the Local Area will be accommodated first. Transfer applicants from other colleges or universities will be considered if they have a recommended G.P.A. of 2.75 or higher. Information regarding impaction can be found at www.FresnoState.edu/are

All requirements below must be completed by the end of the spring 2014 semester to be considered for admission for the fall semester.

- Completion of 60 or more transferable units (90 quarter units).
- Completion of a minimum of 30 semester units (45 quarter units) of General Education (G.E.) with a 2.0 G.P.A. or better.
- Completion of the four Foundation classes (area A1, A2, A3 & B4) with a grade of C or better.
- A cumulative transfer G.P.A. of 2.0 or better is required from Local Area applicants; 2.75 or better is recommended for applicants outside the service area.
- Must be in “good standing” at the last college or university attended. Good standing means you are eligible to re-enroll at your last college or university.

*Liberal Studies and Engineering majors follow a different G.E. pattern, please see a counselor for more information, visit www.assist.org or schedule an appointment at www.gotofresnostate.com.

Important Notice from the Admissions Office

Transfer applications will not be reviewed until transcripts are received from all institutions attended. If enrolled in fall classes, please be sure fall final grades are posted before you send transcripts from that institution. If you are in the process of completing the above admission requirements you will be Conditionally Admitted.

What’s New! California Community Colleges (CCC) Students

The Student Transfer Achievement Reform (STAR) Act www.sb1440.org

Student who earn the Associates in Arts degree for Transfer (AA-T) or the Associate in Science degree for Transfer (AS-T) will be granted priority admission to the California State University (CSU) into a similar baccalaureate (BA) degree program with a guarantee of junior standing as long as the student meets all prescribed admission requirements. Once admitted, the student will only be required to complete 60 additional prescribed units to qualify for the similar baccalaureate degree. SB 1440 does not guarantee a student admission for a specified major or campus, but requires the CSU to grant a student priority admission consideration to the local CSU campus and to a program or major that is similar to the transfer AA degree as determined by the CSU.
