**Admission Requirements**

**Fresno State is impacted for freshman.**

You are eligible for freshman admission at Fresno State if you:

- Are a high school graduate or equivalent (G.E.D., or completed the California High School Proficiency Exam);
  
- complete, with grades of C or better, the courses in the 15-unit a–g comprehensive pattern of college preparatory work (refer to chart on the right) and;

- meet the eligibility index with your grade point average and ACT/SAT test scores.

**Note:**

Please refer to [www.csumentor.edu](http://www.csumentor.edu) to receive the latest information on admission requirements and deadlines for freshman applicants.

Admission criteria may change for non-local students.

Students must have all of the above requirements completed by the end of Spring 2015 semester.

### Eligibility Index for California Resident

The eligibility index is a calculation based upon your high school grade point average (G.P.A.) and your test scores.

The SAT or the ACT test scores can be used to calculate the eligibility index. The SAT critical reading and the mathematics scores are used to determine the total test score (excludes writing). The composite score is used for the ACT.

To calculate your eligibility index; use the formula below.

**SAT Eligibility Index:** (Your GPA) x 800 + Your SAT Total

**ACT Eligibility Index:** (Your GPA) x 200 + (10 x ACT Comp)

For the Eligibility Index Chart, please visit [https://secure.csumentor.edu/planning/high_school/cal_residents.asp](https://secure.csumentor.edu/planning/high_school/cal_residents.asp)

### Calculating Your G.P.A.

The high school grade point average is based on grades earned in College Prep courses taken during 10th through 12th grades.

- A = 4 points  
- B = 3 points  
- C = 2 points  
- D = 1 point

Honors, Advance Placement (AP), or International Baccalaureate (IB) course grades earned in the last three years of high school are assigned one extra point for up to eight semesters. (must be ‘C’ grade or better)

No more than two approved honors courses may be taken in the 10th grade.
